

Thank you so much  
For the things that you did!  
There's no one alive  
Who could do what you did.  
You cared for our children  
You fluffed up their wings.  
You taught them good lessons  
And wonderful things.  
**Thank you so much**  
For all that you've done  
To make our school days  
Oh, so much fun!
